

MapleStone
2435 Milton Mills Road, P.O. Box 588
Acton, ME 04001
(207) 477-2829 (207) 477-2820 (Fax)

IMPORTANT NOTICE

Students will not possess any electronic device (cell phone, iPod, MP3 player, etc.) during their time at MapleStone. Our preference is that no electronic devices be brought to school as MapleStone will not be liable for them if they are. However, we understand that for some students, the use of these devices makes the bus ride more tolerable. Therefore, students will be responsible for turning in all electronic devices at the beginning of each day to their instructor or at the office. At the end of the day, the electronic devices will be returned to students. Students caught with an unauthorized electronic device will lose their stipend for the first and second occurrence. **THE THIRD TIME, THE STUDENT'S PLACEMENT AT MAPLESTONE WILL BE TERMINATED.**

To reach a student during school hours, messages can be left with the main office (207-477-2829) or the cell phones of instructors/social worker (numbers provided upon request).

Sincerely,

Keith C. Davis

Executive Director
